EVENT DETAILS

The Vancouver Police Department and community partners are hosting the third annual Women's Safety Fair on July 5, 2014. The fair will feature a personal safety demonstration for women only, tips for using social media, community discussions, information booths, and an in-person presentation by Angus Reid, formerly of the BC Lions (Ret.).

INFORMATION BOOTHS AND EXPERTS

Attendees will be invited to stop by the many booths being sponsored by partner agencies. Hear from dedicated experts who provide practical support and information to people affected by domestic violence, child abuse, sexual offences, street-level violence, elder abuse, internet luring and more.

WOMEN'S SAFETY THROUGH LIFE CYCLE 11:30 AM – 12:30 PM

There will be discussions relating to ways that we as a community can challenge violence against women. (Facilitated by Battered Women's Support Services.)

SOCIAL MEDIA SAFETY (NEW) 12:45 – 1:30 PM

Protecting yourself means thinking about how you use social media. An expert forensic investigator with the VPD Technological Crime Unit will provide you with updated tips on how to engage safely on social media.

BE MORE THAN A BYSTANDER CAMPAIGN (NEW) 1:30 – 2:00 PM

Angus Reid, a legendary centre for the BC Lions, will present **Be More Than a Bystander**, a groundbreaking initiative between EVA BC and the BC Lions aimed at breaking the silence surrounding violence against women and girls by providing tools, language and practical ideas about how to be more than a bystander.

SAFETY DEMONSTRATION & DISCUSSION 2:15 – 4:00 PM FOR WOMEN ONLY

This interactive demonstration will build upon the personal safety practices and knowledge that many women already follow, and provide an opportunity for feedback from police experts in the field.
