

Affiliate Member Application Form

For the fiscal year April 1, 2023 – March 31, 2024

The Ending Violence Association of BC (EVA BC) has three classes of membership: core membership, affiliate and associate. All membership applications are presented to the EVA BC Board of Directors for consideration. Upon acceptance, EVA BC will inform the organization / individual of the decision and confirm their membership class. We will then process the membership dues and add the organization / individual to our membership database.

Affiliate membership

As per EVA BC's bylaws, affiliate members are those organizations that provide support services to survivors of gender-based violence, but that do not meet the criteria for core membership. Affiliate members do not have a right to vote or stand for election as directors; however, they have the right to attend EVA BC's General Meetings.

Membership dues: \$150
