

Associate Member Application Form

For the fiscal year April 1, 2023 – March 31, 2024

The Ending Violence Association of BC (EVA BC) has three classes of membership: core, affiliate and associate. All membership applications are presented to the EVA BC Board of Directors for consideration. Upon acceptance, EVA BC will inform the organization / individual of the decision and confirm their membership class. We will then process the membership dues and add the organization / individual to our membership database.

Associate membership

As per EVA BC's bylaws, associate members are those organizations or persons who support the purposes, beliefs and bylaws of the Society but do not meet the criteria for core or affiliate membership. Associate members do not have the right to vote or stand for election as directors; however, they have the right to attend EVA BC's General Meetings.

Membership dues: \$100
